1. This past week Henry R. Malament called on ( ) to discuss a most secret matter. Being very evasive and showing his usual timidity, Malament came forth with the following:

Four KMWAAHOO exiles residing in LCDLAK who have been infiltrated into KMWAAHOO by the ZRCROWNS Malament does not know how many times) have written the XNMALEDICT higher council Malament did not say to whom) that they no longer wish to work for the ZRCROWNS and would like to do agent work for the PBPRIMES.

The names of these agents, as given to ( ) by Malament, are: Identities (1) through (4).

Malament) would like to make it clear that he does not know these men personally and he does not know whether they are good or bad agents. He feels, however, that the PBPRIMES may want to engage their services.

2. ( ) pointed out to Malament) that the PBPRIMES do not interfere in ZRCROWN operations, and vice versa, and that he could only send the information along to his people in LCDRINK. Malament) became quite alarmed at this, feeling that word would get back to the ZRCROWNS that he had talked to the PBPRIMES about the matter. ( ) assured him that that would not happen and he has nothing to fear, although he could see no way in which the PBPRIMES could use the agents without first discussing the matter with the ZRCROWNS.

3. ( ) doubts that Malament) will bring this subject up again but passes the above along to LCDRINK for what it is worth.
